2024 SEMINARY FUNDING

LOOKING BACK

First of all I greatly appreciate the tuition scholarship I am receiving from Westminster Seminary California to be able to study here. I am also grateful for the support received from individuals and churches towards our living expenses. I am so grateful in particular for the overwhelming support we have received from the leadership and members of Grace Church Laguna Niguel. If they had not jumped in when I almost gave up about coming back to California to resume my studies I probably would not be here. And when we arrived here they poured their love for us in a big way. I am also grateful to Oceanside URC for opening up an opportunity for me to preach once a month and be able to receive help through that. The Lord provided in amazing ways and we are so thankful to Him above all.

2025 SEMINARY FUNDING

LOOKING FORWARD

Our available funding was enough to take us through December 2024. This basically meant that 2025 will require more fundraising for our living expenses. I am so grateful for Grace Church which has continued providing the necessary support for me and my family beyond the funds which were available for us. On top of that, they have also continued providing support for the work in Malawi. Our needs in Malawi continue to grow as the Pastors serve families and new members coming to hear the gospel. In order to increase funding, I felt it was crucial for me to get a job to raise additional support. I have started working on campus this month in order to help support our needs here and to send to the struggling churches.

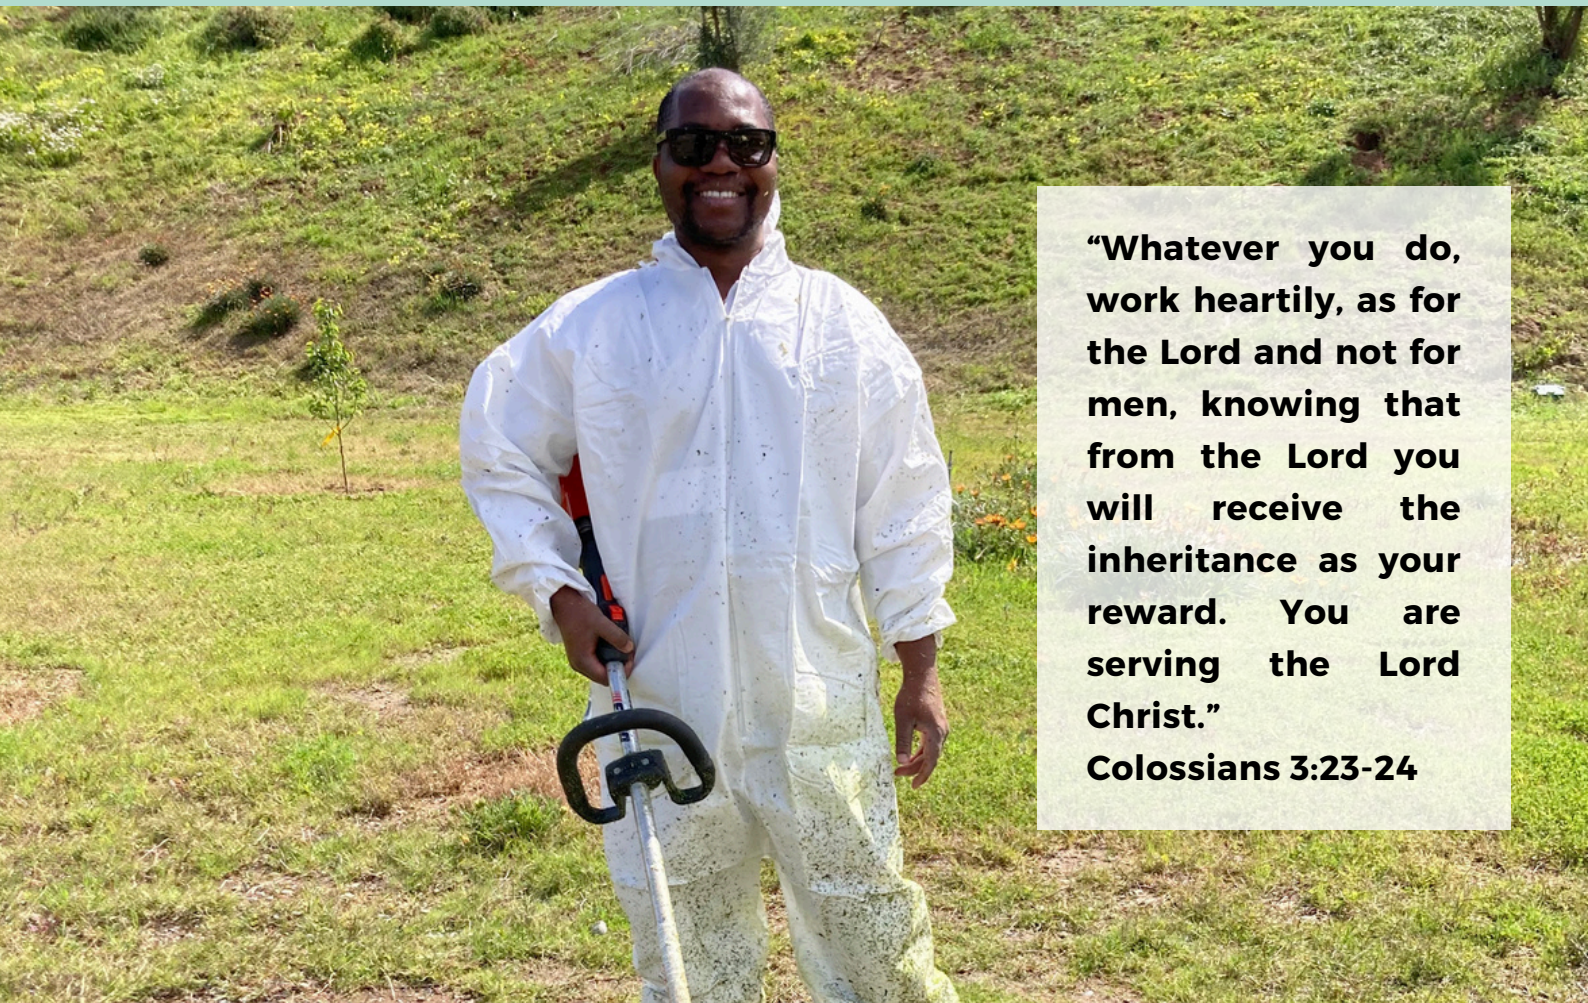

Thank you for your faithful giving, it means so much to us and the church in Malawi. As usual, you can send your support through Grace Church Laguna Niguel. The church address is 24600 La Plata Dr, Laguna Niguel, CA 92677. For online donations:

Phone: 949-388-5537. The church administrator, Joey Hahne can help you. Email address: itsallbygrace@gmail.com.

If you know any church that could partner with us in any way please let me know. Your prayers and support are greatly appreciated. Thank you!
