

# JJ Reflection

## On the first JOC Foundation Board Meeting

March 20th 2025 will be remembered as a crucial day in my life and ministry. A group of 10 men gathered to discuss plans for setting up Jars of Clay Foundation with the set goal of serving as a conduit for the organization's resources as well as providing operational oversight and promotion for the work in Malawi. Having known these men for varying periods I was convinced that this is the team I can trust and rely upon.

As I drove back home I felt like a huge burden had been lifted from me and shared with brothers committed to the task of seeing the gospel established in Malawi. The practical outworking of this development will follow soon but my heart is full of gratitude, joy and happiness. Oh the depth of the riches and wisdom and knowledge of God! To Him be glory forever and ever. Amen! Romans 11:33-36
